

Dr. Katie Zaremba

1:1 services are available to patients in the U.S. only. If you live outside of the U.S. and are still looking for support, check out the 'All Natural Fertility' program and/or the 'Prenatal Nutrition' programs below.

These packages do not include lab testing or supplements. Lab pricing may range anywhere from \$200-\$1200 depending on complexity of your case and if you've had labs done recently.

Dr. Zaremba does not accept insurance, but can accept HSA/FSA payments. Superbills can be provided by request.

PRENATAL NUTRITION PROGRAM

COMING SOON

This self guided program is for women who are pregnant and wanting to learn about up to date research on how to eat during pregnancy. It also covers which supplements and herbs are safe for pregnancy and a section on the 4th trimester (postpartum period).
